

IF YOU WERE AN  
**ENGINEER**  
WHAT WOULD YOU DO?®

# A NATIONAL COMPETITION FREE TO ALL SCHOOLS IN THE UK

This annual competition is open to all pupils aged 3-19 and asks the question “If you were an engineer, what would you do?®”. Pupils are tasked with interviewing an engineer, where they have the opportunity to ask the questions that matter to them, before coming up with their own engineering ideas.

## BECOME ENGINEERS IN THE MAKING®

Every pupil who takes part receives a graded certificate from a professional engineer and is invited to our Awards and Public Exhibitions at the end of the school year hosted all across the UK.
