

NATIONAL CAREERS WEEK

LIVE TALKS

National Careers Week is a celebration of careers guidance and free resources in education across the UK. The aim is to provide a focus for careers guidance activity at an important stage in the academic calendar to help support young people leaving education. We have an exciting week planned for students, with live talks from a variety of speakers.

MONDAY 1ST MARCH | 1-2pm

My Skills My Future

An interactive workshop working with you in developing your essential skills as you explore job opportunities open to you in the future.

TUESDAY 2ND MARCH | 1.15-1.45pm

Going it Alone, and Launching Your Own Business

David is a multi-award winning company director & he will be sharing his journey after leaving school and starting his first business at 17 years old.

WEDNESDAY 3RD MARCH | 1.15-1.45pm

A Career in the Royal Engineers

Find out about the day-to-day life of a Royal Engineer and the career prospects available to you from 19 different apprenticeship and careers paths to choose from

THURSDAY 4TH MARCH | 1-1.45pm

Being the best version of you - A guide to putting your best foot forward

This talk is all about how to stand out and the "Visualise it, See it" mentality - How to choose your A levels for your career and how to research this.

FRIDAY 5TH MARCH | 1-2pm

Applying to University? Behind the scenes: admissions & personal statements

Led by Emma and Maxine, who work at universities this talk will explain & how to write your personal statement & how the University admissions process works once you submit your application.

Live sessions will take place on Microsoft Teams Live, which complies with safeguarding policies (attendees will not have access to webcams or microphones and the chat function will be moderated). Students can use their own email and book their place independently.
